

Safety rules on KIA loading yard in Zilina (KaSK).

In case of reduced visibility conditions (snow, ice), driver **is obligated** to clean:

- Windshield,
- Front and rear both sides windows.

Road traffic rules apply on the compound:

- The Driver must stop at the STOP sign.
- It is forbidden to drive the opposite way in a one way road.
- The maximum speed allowed is 25 km/h.
- Smoking is allowed only in a specially designated places.
- It is forbidden to use mobile phone while driving the vehicles or the truck.

The Driver must always use:

- crash helmet,
- clean working clothes,
- orange reflective vest,
- safety shoes.

The rules apply from **entry to exit the compound.**

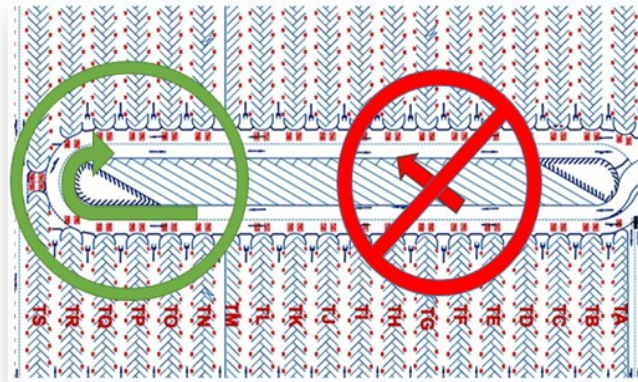

The Driver should drive only the road — can't cross the storage and truck loading lines in order to shorten the route.

In Dispatcher Office can be only 2 persons in the same time.

Follow the instructions of the Yard Staff - wait for the picking list in the truck if it is necessary.

Maximum loading time is 2 hours!

After loading always ask about Customs Documents!
